

Festival and Collaborative Theatre Committee (FACT)

FACT Committee Report

The FACT Committee is developing productively. During the Official Committee Meeting at the 37th ITI Congress in Antwerp (Belgium) and other discussions in Den Bosh (Holland), the members of the FACT committee together sharing knowledge and practical experience, expressing innovative ideas and opinions. The FACT committee will develop several activities during the period between the years of 2024 to 2026 as below:

1. Promoting and extending the positive reputation of ITI to the new members worldwide who are interested in activities of FACT/ITI from 2024 to 2026
2. Organizing international webinars in the topic of International festivals and collaborative theatre in three sections with different languages, including English, French and Spanish in November – December 2024
3. Creating the practical workshop training and public presentation in theatre collaboration project in Ivory Coast through which, the FACT expertise members will come to the country to provide workshop and making public presentation/production for emerging theatre practitioners in Ivory Coast and the neighbor countries in 2025 – 2026.
4. Organizing a practical workshops training and forum in the topic of International Festivals and Collaborative Theatre at the 6th International Experimental Theatre Festival in Hanoi, Vietnam in November 2025
5. Creating the FACT's Website and News Letter every month to communicate and introduce FACT' activities, unique projects and outstanding Festival and Collaborative Theatre worldwide.
6. It is also in the process of discuss and preparation between FACT committee and Asian Council to collaborate of creating and organizing the Asian Theatre Festival in Asia every two years.

The FACT committee would like very much to welcome new members worldwide with new ideas, advices and suggestion, as well as, practical contribution in desire to create more opportunities for international theatre practitioners to collaborate with each other.
